

Certificate Number: DK-MED000102 i07

### DECLARATION OF CONFORMITY TO MARINE EQUIPMENT DIRECTIVE 2014/90/EU

We, em-trak Marine Electronics Limited, hereby declare that the product known as A200, to which this declaration relates, is in conformity with the relevant sections of the following standards and/or other normative documents.

|                                            |                                          |
|--------------------------------------------|------------------------------------------|
| IMO Res. A.694(17)                         | IEC 60945:2002/COR1:2008                 |
|                                            | IEC 61162-1:2024                         |
|                                            | IEC 61162-2:2024                         |
|                                            | IEC 61162-3:2008+AMD1:2010+AMD2:2014 CSV |
| IMO Res. MSC.74(69) ITU-R M. 1371-5 (2014) | IEC 61993-2:2018                         |
| IMO Res. MSC.191(79)                       | IEC 62288:2021+AMD:2024                  |
| IMO Res. MSC.302(87)                       | IEC 62923-1:2018                         |
|                                            | IEC 62923-2:2018                         |

We also declare that all essential radio test suites have been carried out and that the above-named product is in conformity with the essential requirements of Directive 2014/90/EU and MED Implementing regulation (EU)2025/1533 (item MED/4.32 – Universal Automatic Identification System Equipment).

A GNSS receiver, power cable and data accessory cable are provided to enable the product to operate as intended in line with optimum performance. The A200 is pre-loaded with application software v110200.02. and MKD software v110401.02.
